Correction to:

Cancer Chemother Pharmacol (2017) 79:959–969

<https://doi.org/10.1007/s00280-017-3298-5>

The authors wish to correct an error in the paper:

PubPeer found an error in Fig. 2B of this paper in that there was image duplication for the ‘Control’ and ‘DOX’ panels in this 32-panel figure. The senior author takes responsibility

for this error, and has submitted a corrected version of Fig. 2B.

The first author of the paper (Dr Tan) provides assurance that the revised figure is correct, and all authors of the paper (except for M Wang, for whom we no longer have contact information) agree with submission of this correction.

The authors regret this inconvenience to the Journal and its publisher.

The original article can be found online at <https://doi.org/10.1007/s00280-017-3298-5>.
